Region X (10) of the Missouri Agency for the Aging has recently made a very unfair decision to close the Webb City Senior Center by allocating all funds to the other five cites in the region…Carl Junction, Joplin, Carthage, Lamar and Neosho. The decision was made by the Region X Board listed below at the recommendation of their CEO, Jennifer Shotwell.

Barton County Commissioner-David Johnson, Jasper County Commissioner-John Bartosh
Newton County Commissioner-Daniel Swem McDonald County Commissioner-Bryan Hall

Please sign below if you believe that this decision was unfair and that the following should be approved. All Regiion X state and federal funding should be allocated to all six cities allowing them to be open the number of days possible with the help of local agencies and city government.

Signature **Resident of County (Barton, Newton, Jasper of McDonald)**
